What is this about?

Looking for an international partner for a COIL project?

Join our COIL Matchmaking Event and connect with lecturers across the DHIK-THENSA network to develop Collaborative Online International Learning (COIL) projects.

What to expect

- ✓ Short pitches of COIL project ideas
- ✓ Interactive matchmaking sessions
- ✓ Networking across DHIK and THENSA member institutions

Who should join?

- ✓ Lecturers interested in developing a COIL project,
- ✓ Colleagues seeking international partners
- ✓ Teaching staff curious about COIL

Join as Participant,
if you are
interested in
finding a COIL
partner

Join as Presenter,
if you already have
a concrete COIL
idea and would like
to pitch it
