Insurance

Health insurance is mandatory in Switzerland. Students can apply for an exemption of Swiss health insurance if their home health insurance confirms to offer the same services as a Swiss health insurance and to cover all possible costs. If the student's home health insurance refuses to sign this confirmation, a Swiss health insurance, e.g. Swisscare needs to be purchased. More information about insurances that are necessary or recommended you can find [here](#).

Units/courses/study areas available in English

You can find the availabilities [here](#).

Accommodation Options

We offer our incoming students a room in two different student residences, private accommodations and hotels. There are both double rooms and single rooms available. For more housing information click [here](#).

Visa

Depending on the student's nationality, a visa will be required to enter Switzerland. It is the student's responsibility to get a visa if necessary. Visa information can be found on [our website](#) and [here](#).
