

UAS TECHNIKUM WIEN

**Austria's
University for
Applied Sciences
for Technology
and Innovation**

AUSTRIA

Population: ~8,8 million people

Capital: Vienna (~1,9 million people)

9 federal states

UAS TECHNIKUM WIEN Buildings

Founded in **1994**, Vienna's first and biggest **purely technical University of Applied Sciences** operates in four main buildings.

Building A

Building B

Building C

Building F

EnergyBase

Founded on the initiative of the **ASSOCIATION OF THE AUSTRIAN ELECTRICAL AND ELECTRONICS INDUSTRIES (FEEI)** initiative in 1994, UAS Technikum Wien was the first UAS to implement all degree programs acc. to Bologna.

4.440
Students (approx.)

studying in full-time, part-time,
and/or distance study programs
in a small group environment
(Language of instruction:
German and English)

12
Bachelor's Degrees

18
Master's Degrees

UAS TECHNIKUM WIEN FOUR FACULTIES

The four faculties each hold a Department (Competence Centers listed) as well as the degree programs respectively.

Electronic Engineering

Embedded Systems
IoT and Electronics
Power Electronics and
Control Systems

Computer Science

Artificial Intelligence & Data Analytics
Digital Enterprise
Software Engineering & Devops

Life Science Engineering

Cell Technologies & Biomaterials
Medical Engineering & Integrated
Healthcare
Chemical Engineering &
Ecotoxicology
Sports Engineering, Biomechanics &
Ergonomics

Industrial Engineering

Virtual Technologies & Sensor Systems
Digital Manufacturing,
Automation & Robotics
Renewable Energy Systems
Materials Science & Mechanical
Systems

BACHELOR'S PROGRAMS

Biomedical Engineering
Business Informatics
Computer Science
Electronic Engineering
Electronics and Business, DS
Information and Communication Systems and Services
International Business and Engineering
Mechanical Engineering
Mechatronics/Robotics
Smart Homes and Assistive Technologies
Human Factors and Sports Engineering
Renewable Energies

MASTER'S PROGRAMS

- Medical Engineering & eHealth
- Embedded Systems
- Environmental Management and Ecotoxicology
- AI Engineering
- Healthcare and Rehabilitation Technology
- Power Electronics
- IT Security
- Information Systems Management
- Innovation and Technology Management
- Industrial Engineering & Business
- Internet of Things and Smart Systems
- Mechanical Engineering
- Robotics Engineering
- Renewable Energies
- Software Engineering
- Sports Equipment Technology
- Tissue Engineering and Regenerative Medicine

WHY COME TO VIENNA

At UAS Technikum Wien, you study at the largest purely technical University of Applied Sciences in Austria and attend **high-quality lectures** in **small groups** with **highly practical relevance** and lecturers from the **business world** and the **industry**.

VIENNA #1 CITY
IN QUALITY OF
LIVING TENTH
TIME (MERCER
2019)

STUDY IN VIENNA

- [English Course Guide](#)
 - Courses via Campus International
- Courses in German language from all other study programs are possible for German speaking students (B2)
- Supervision Bachelor's / Master's Thesis (on request)

The International Office is here to help you make the most out of your stay in Vienna (...academically)!

CAMPUS INTER NATIONAL

Please find the latest version of our
[English Course Guide](#) on our website.

ORIENTATION WEEK

serves as first orientation once our
Incoming students arrive in Vienna

IIE PROGRAM (6 ECTS)

Mobile Robotics
Service and object-oriented Algorithms in
Robotics
Building and Solar Energy
International Marketing
Data Ethics and Open Data
ASSIST HEIDI – Designing and implementing
Assistive Tools for people with disabilities

CI PROGRAM (3 ECTS)

Audio Engineering
Electronic Laboratory
Scientific Writing
Building Climate Engineering
Renewable Energy Laboratory
Traffic Safety Culture and Mobility
Empowering Intercultural Teams for
Success: Theory - Tactics – Solutions
Experience Erasmus+: Preparation and
Awareness for a Profitable Semester
Abroad

LANGUAGE COURSES (3 ECTS)

German Language & Austrian Culture A1,
A2, B2
Russian
Chinese
Swedish

SUMMER IN VIENNA

Take a dip in the Danube

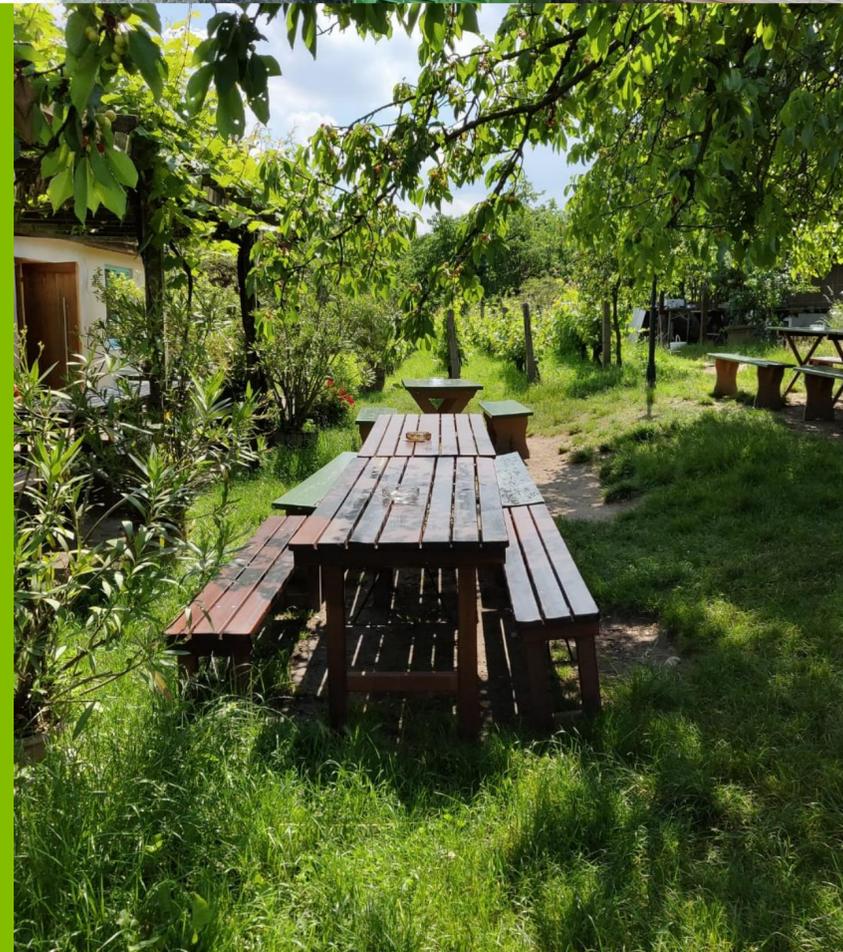

Stroll the open air markets of Vienna

Taste your way through a few *Heurigen*

OIDA!

THE expression used for
all kinds of situations in
Vienna!

WINTER IN VIENNA

Enjoy the Christmas lights of Vienna

Have a *Glühwein* or *Punsch*

Hit the ice skating lane

We have CHRISTKIND in Austria – don't dare and mention Santa here!

VIENNA WALKING TOUR

Take a tour around Vienna with Eugene Quinn (space and place), famous in Vienna for his Ugly Tours, speaker of two TED Talks & passionate walker of the streets of Vienna.

VIENNA #1 CITY IN
QUALITY OF LIVING FOR
TENTH TIME (MERCER
2019)

INTERNATIONAL FAIR

At the International Fair, regular and international students come together and exchange information, ideas and stories about their home institutions, their experiences abroad, and all other issues regarding their international encounters.

Represent your home
institution and INSPIRE
STUDENTS in Austria to
GO ABROAD!

INTERNATIONAL DINNER

During International Dinners organized by ESN, you can taste your way through the world. The motto is BYOF – bring your own food (from your home countries)!

Sometimes someone will
throw in a traditional
SACHERTORTE!
